Our unique blend of educational and co-curricular programs are designed to nurture academic achievement, creativity, problem solving and the unique skills and talents of each student.

We aim to instil in our students a love of learning and provide them with the skill set of learning how to learn.

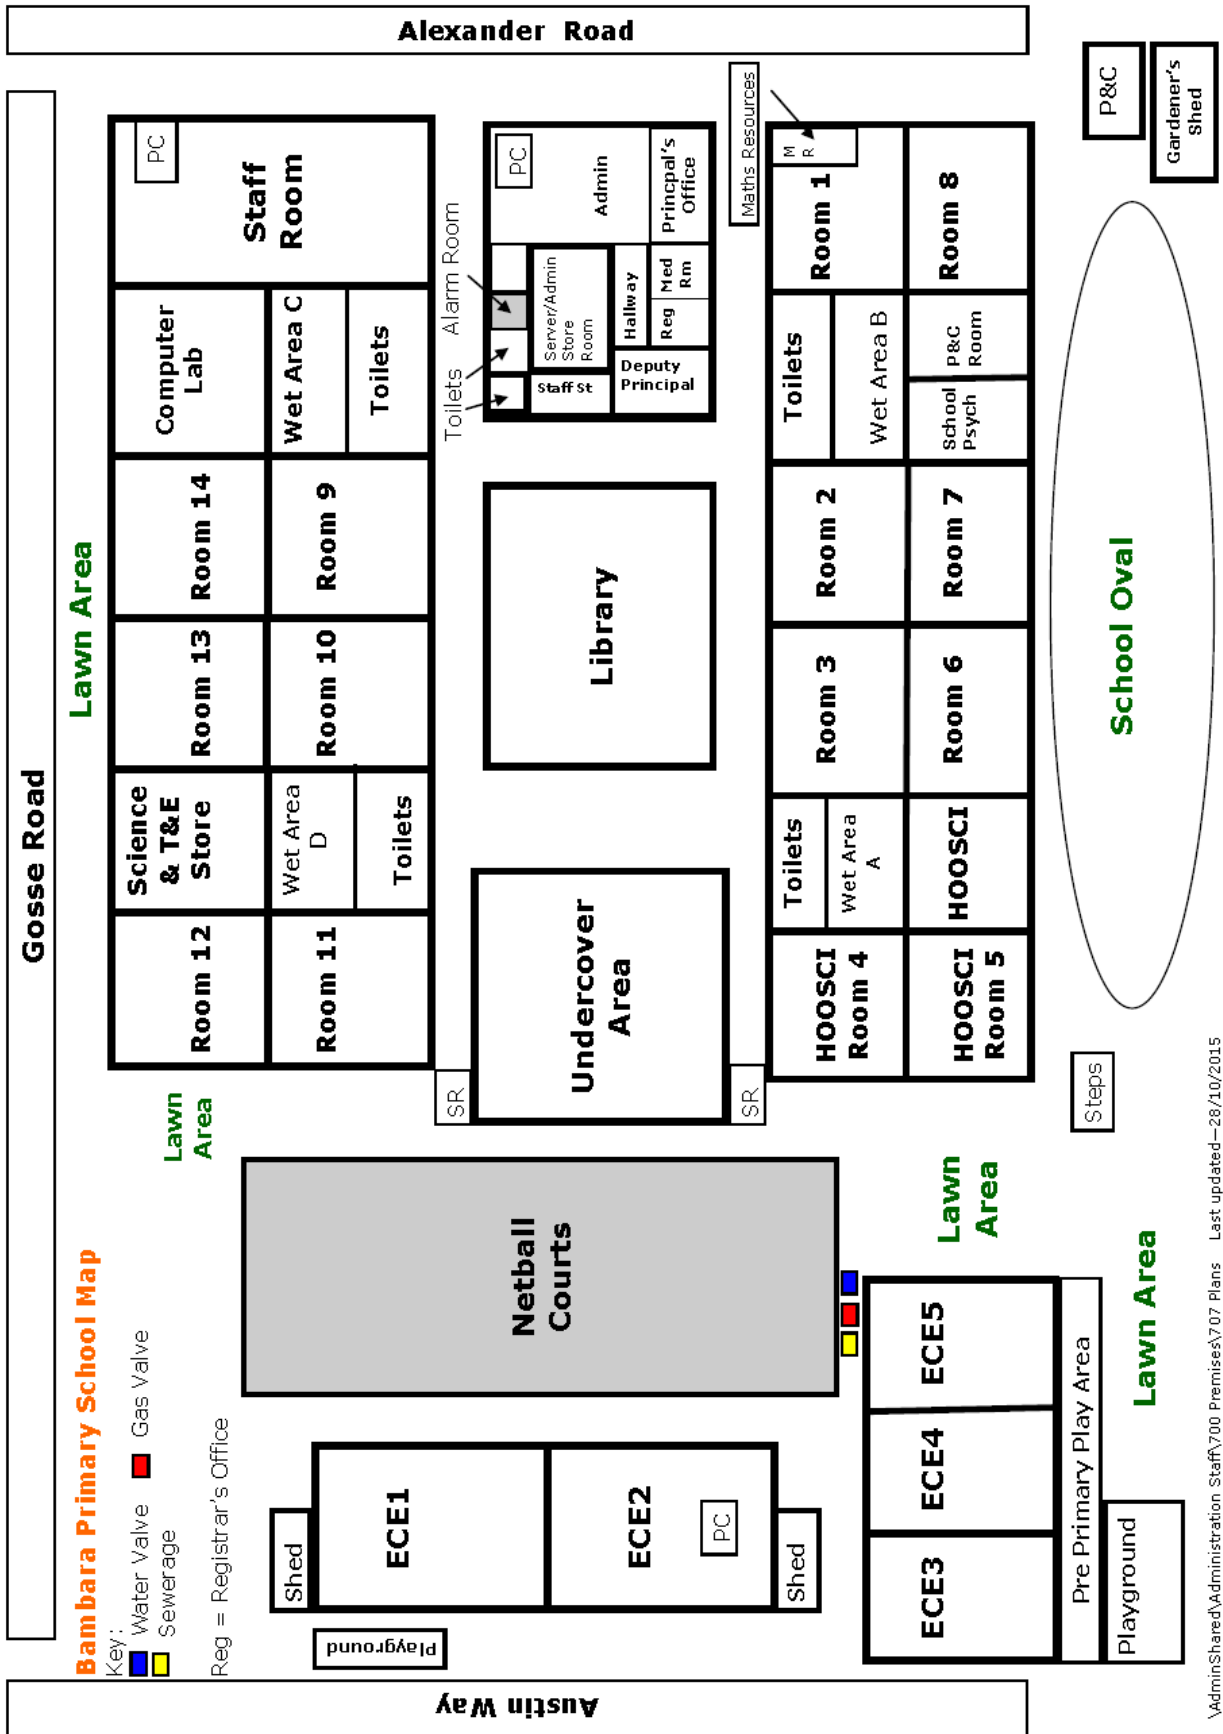

We employ staff who are committed and demonstrate professional integrity. They communicate effectively and work to build positive working relations with colleagues and parents.

The school has developed a strong ethos in partnering with parents and working to provide an educational service that is responsive and second to none.

Parents are invited to join me and the staff in bringing to life our school motto 'We are the Future'. In partnership we will work to develop a positive future for all our students by building their knowledge, skills, attitudes and talents.

## Notes

Jewellery	Watch, stud or sleeper earrings are acceptable items.
Cosmetics	The wearing of cosmetics is not acceptable.
Special Groups	Cultural dress such as head-dress worn by members of the Muslim community can be incorporated into the school dress by negotiation with the Principal.
Hair	Shoulder length hair should be tied back.

## **Footwear**

Students are required to wear sensible, closed-in footwear or approved sandals to school. Thongs, 'Ugg' boots and masseur type footwear are NOT considered to be appropriate footwear. Should a student's medical condition necessitate the wearing of any of these items then a written note must be provided by the Parent/Caregiver.

## **Hair**

All students must ensure that their hair does not create a safety or health risk. Students with long hair will be required to tie their hair back. We recommend that long hair be tied back as a preventive measure in avoiding/containing the spread of head lice.

## **Hats**

It is a part of our school policy that ALL children are to wear microfibre bucket hats for all organised physical education activities and while playing outside during recess and lunch time. The 'no hat no play' policy is fully supported by the Cancer Foundation as an effective means of protecting students from the harmful effects of over exposure to UV rays. Please support this policy in the interests of your child's long term health. Microfibre bucket hats may be purchased through Lowes Lakeside Joondalup Shopping Centre.

## **Uniform Shop**

The P&C has contracted Lowes to supply the Bambara PS uniform. Lowes is located in the Lakeside Joondalup Shopping Centre. Lowes can be contacted on telephone 9301 4016 or ordering is available online at [www.lowesschoolwear.com.au](http://www.lowesschoolwear.com.au) where your order will then be emailed to the store.

## **Arriving at School**

Students are encouraged not to arrive to school before 8.35am. If you need to drop your child off at school before this time, then they are to assemble in the Undercover Area. They will be supervised by a member of staff from 8.10am. At 8:35am the first school siren will sound. The students go to their classroom at this time and prepare for the school day. It is the parents' and caregivers' responsibility to ensure that necessary arrangements are made to have our students arrive at school no later than the second siren at 8.45am. Our school learning program begins at this time.

### **Late Arrival**

Students arriving late to school after 8.45am are requested to go to the front office to obtain a late note. This is to be given to the class teacher to update the attendance records.

### **Drop-Off of Kindergarten and Pre-Primary Students**

Parents are asked to deliver Kindergarten and Pre-Primary Students directly to class no later than 8.35am. Parents are encouraged to stay in the classroom until the siren at 8.45am this helps the student settle in before the start of the school day. You are encouraged to read to your child, complete puzzles etc.

### **Pick-Up of Kindergarten and Pre-Primary Students**

Students will only be released to parents at the end of the school day. If a student is going to be collected by another adult the classroom teacher will need to be notified. It is important that students are collected on time, as students will often experience anxiety if their parent is late to pick up. Please notify the school should this occur so that the teacher can advise the student or complete the 'alternative pick-up roster' on the whiteboard outside the classroom.

## **Leaving school during school time - Leave Pass**

During school hours the students are strictly under the responsibility and care of school staff. No student is permitted to leave the school grounds without prior approval of their parent or caregiver and consent of the Principal.

Should a student be required to leave school during the school day due to a prior appointment, they will need to be signed out through the school office. It is recommended that parents firstly go to the office to complete a leave pass; the leave pass (or yellow slip) must be handed to the teacher before the student is released to the parent.

# Attendance

Regular attendance is integral to developing a good attitude to school and is vital to maintain a high level of student achievement and progress. At Bambara we aim for 100% attendance throughout the year however due to illness this may not be achieved by all students. Families taking vacation throughout the school term is discouraged as this also impacts on learning. If a mid-term vacation is unavoidable parents must seek permission from the Principal in writing or email.

We require a note of explanation, phone call, SMS, Skoolbag App form, email or via the quick links on the website [bambara.ps@education.wa.edu.au](mailto:bambara.ps@education.wa.edu.au) if your child is absent from school for whatever reason. An SMS message will be sent by 10am each day for unexplained absences. Parents and Carers may use the mobile number attached to the SMS Messages (0418 921 117) as a way of contacting the school to advise of a child's absence. Students absent from school due to medical illness for more than 2 days will require a medical certificate from their doctor. The medical certificate should be given to the classroom teacher on the student's return to school. Parents are legally obliged to –

- Ensure regular, punctual student attendance
- Promptly provide a written explanation for student absences

Student work assignments are usually available to students whose absence are unavoidable (for example due to illness or injury) or if there are extenuating circumstances. Please advise your child's teacher of an illness or injury which is likely to result in the child being absent for more than several days.

# Communication

## Assemblies

Bambara Primary School conducts two types of assemblies throughout the year; What Went Well assembly and a class assembly. Assemblies are held every Thursday morning at 8:50am in the Undercover Area. Please let the Principal know if your child receives a special award outside of school as we are keen to make mention of such events at assemblies.

Class assemblies occur on a regular basis each term, usually in Weeks 3, 6 and 9 depending on school planning. Class assemblies are hosted by individual classes and feature a class presentation. Their main purpose is to acknowledge student achievement and to communicate information. Assembly dates and times are published in the School Newsletter and on each Term Planner.

The attendance of parents and interested community members at assemblies is appreciated and encouraged by students and staff. Please come along and support our school!

## Home Communication

An important aspect of the school's operating procedure is the fostering of a healthy and constructive home-school relationship.

We welcome your involvement in your child's education. To foster this, the school has an open door policy which welcomes discussion, comments and suggestions.

Our school newsletters are in colour and feature class reports and photos. It is expected that should a student experience difficulty with their learning the classroom teacher or Learning Support Team (comprising of the School Principal, Deputy Principal, School Psychologist and Classroom Teacher) will meet with parents before the first report to discuss and plan intervention strategies.

## **Reporting to Parents**

There are a number of ways that Classroom Teachers report to parents about their child's progress and achievement. The Semester 1 and 2 reports are the formal means of reporting

however student work-sample folders and learning journey evenings are some of the more informal methods.

- To develop individual student responsibility in carrying out a task in their own time. Self discipline and study skills are needed to succeed at secondary or higher education levels.
- To provide an opportunity for Parents/Caregivers to be involved in the tasks their children are doing at school.

Parents/Caregivers are asked to assist in this matter whenever needed.

## HOOSCI

Hillarys Out Of School Care Incorporated (HOOSCI) uses the school's facilities to run their after school and vacation care program. They are located at the end of Block A.

They also offer after school care for a Wednesday afternoon for our Kindergarten students.

Please note that HOOSCI is a separate entity to the school and as such all enquiries must be directed to HOOSCI. HOOSCI may be contacted by telephoning 9307 8879.

## Library

Each class has a designated library time each week to borrow library books. Students will need a protective book bag. The book bag can be handmade or alternatively you may purchase a book bag from Lowes Uniform shop. The book bag ensures safe keeping of library books, home reading books, newsletters etc.

## Lunches and Recess

A daily packed lunch and recess is required. The school encourages healthy lunches that are free of high sugar, salt and fatty treats. Recess is similarly to be a healthy snack and fruit.

Each child should have their own water bottle to drink from during the day. For Kindergarten students, their bottle will remain at school. Drink bottles and lunch boxes **must** be labelled with your child's first and last name.

Kindergarten and Pre Primary students eat their lunch within their areas, students in Years 1 to Year 6 eat their lunch in the Undercover Area. All areas are under teacher supervision. Duty teachers release students to play at 12.40pm once they have eaten their lunch or have indicated that they have had sufficient food.

## Parents and Citizens' Association (P&C)

Your involvement in the P&C is one of the best ways of being aware of school activities and what is planned to improve the Learning Environment for your child. There are many ways of supporting the P&C however, personal involvement is one of the most appreciated. Meetings are held twice per term. This is your opportunity to share your ideas. Meeting dates and times are published in the School Newsletter and on the Term Planner.

From time to time the P&C engages in fundraising activities. All help is greatly appreciated and this is a great opportunity to socialise with others in the school community.

The P&C Association has been an active contributor to the school's educational program and the development of school facilities. It is hoped that you will help maintain this support. We always value our new members.

A classroom representative is appointed to each class. At the commencement of the school year, parents are asked to nominate for this position by the P&C committee. The role and duties of this position are available from the P&C.

## **Parents as Partners**

The Kindergarten and Pre-Primary parents are encouraged to help in the classroom at least once a term. Parent involvement is highly desirable and enables parents to share experiences with your child, observe their interaction with other children and view their progress throughout the year. We are sure you will enjoy the experience as much as your child. Bambara Primary School has a firm commitment to parents as partners in their child's education.

# School Board

## What is the School Board?

The aim of the School Board is to make it possible for members of the school community to share in making decisions about the school's Learning Environment. Its main function is to collaborate with the school on priorities, school resources, and the review and ratification of the School Budget.

## What does the School Board do?

In general terms, the School Board:

- Represents the educational needs and aspirations of students, teachers, parents/caregivers and the community.
- Determines school priorities in conjunction with the School Leadership Team.
- Assists in the formation of the School Strategic Plan in conjunction with the School Leadership Team.
- Monitors the allocation of resources [financial and human] to achieve the priorities set down in the School Strategic Plan.
- Determines level of financial contributions to be sought from parents.
- Determines the dress code for the school.
- Advises on policy matters but does not become involved in the day-to-day management of the school.
- The School Board meets at least once per term.

## How do people join the School Board?

With the exception of the Principal, members of the School Board are elected for a period of up to three years. Parent representatives are elected to their positions by parents and carers who have their details registered on their child's enrolment card. Please notify the Office if you would like to become a School Board Representative. Staff representatives are elected to their positions by Non-Teaching and Teaching School Staff.

## How is the School Board different to the P&C?

The P&C Association has several functions:

- Conducts fund raising events so that additional resources can be purchased for the school
- Fosters community interest and support of educational matters and the school in general.

## School Creed

This is our school,  
Let peace abide here,  
Let the rooms be full of contentment,  
Let love abide here,  
Love of one another,  
Love of God,  
Love of mankind,  
And love of life itself,  
Let us remember, that  
As many hands build a house,  
So many hearts make a school.

## School Song

Bambara Primary School,  
The place to be.  
Small but we've got it all,  
Everything we need.  
Computers, sport and music,  
We learn Japanese.  
In this great environment,  
Our learning comes with ease.....

### CHORUS

B for Bambara, and B for the Best,  
P for the Primary School that stands out from the rest,  
And S is for that Sense of pride  
We feel deep down inside.

We are winners,  
We all aim for high.  
Yellow for the sun,  
And blue for the sky.  
The people here are friendly, they really care.  
Whenever we need a friend,  
Someone's always there!

### CHORUS
